Please review the following information and sign on the reverse side of this page:

I understand that in the state of Iowa acupuncture is regulated and licensed by the Iowa Board of Medicine and that a license to practice acupuncture does not authorize a person to practice medicine and surgery in this state. The treatment and services of an acupuncturist are not to be regarded as diagnosis and treatment by a person licensed to practice medicine and must not be regarded as medical opinion or advice. Only pre-sterilized single use acupuncture needles are used by acupuncturists. Patrick Yoerger L.Ac. practices acupuncture in compliance with the statutes and rules adopted by the Iowa Board of Medicine. Patrick Yoerger L.Ac. has not had a license, certificate or registration in a health care occupation revoked in any local, state, or national health care agency.

Acupuncture practice includes, but is not limited to using Oriental Medical theory to assess, diagnose and develop a plan to treat a patient in an attempt to improve overall body function and/or to relieve pain using treatment techniques that may include:

- Insertion of sterile single use acupuncture needles through the skin
- Acupuncture needle stimulation including, but not limited to, electric stimulation, moxibustion, and various needling techniques
- Trigger Point Dry Needling
- Gua Sha
  
- Cupping
- Tui Na
- Acupressure
- Shiatsu
- Application of herbal ointments and patches
- Dietary counseling based on traditional Chinese medical principals
- Breathing techniques or exercises based on traditional Chinese medical principals
- Stretching techniques based on traditional Chinese medical principals

I understand that there are possible side effects to my treatment that may include:

- Minor pain or soreness in the treatment area
- Transient bruising
- Needle sickness (dizziness, nausea, fainting)
- Sensations of heat, cold, tingling, numbness, or heaviness
- Skin irritation or slight bleeding at the needle sight
- Pneumothorax
- Generalized fatigue
- Feeling tired or drowsy
- Feeling strong emotions
- Minor burns
